

**“What’s for Dinner?”**

The ancient Confucian adage (Chinese proverb) that “*A picture is worth a thousand words*” refers to the idea that complex stories can be described in a single image.

World-Wide-Waters.com in cooperation with Estilo & Gourmet Magazine ([www.estilogourmetmagazine.com](http://www.estilogourmetmagazine.com)) has provided us with several tasteful gourmet complementary selections from our comprehensive portfolio of imported dishes which we have paired with our finer high-end bottled mineral waters...  
*(The new wine of the ages).*

“Paired with the right food, served in the right stemware, and enjoyed at the right temperature, our bottled mineral waters can be an epicurean delight. But many bottled water drinkers are exposed to only a few of the major brands, and until now, there’s never been a guide for connoisseurs.”

*Michael Mascha, PhD, Author, Connoisseur’s Guide to the World’s Most Distinctive Bottled Waters.*

So the next time you ask “What’s for Dinner?” Add ...“And what taste- matched water did you pick?”
